GULF MEDICAL FIBEROPTICS WARRANTY STATEMENT

The Company's products are guaranteed to be free from defects in material and/or workmanship and to perform as advertised when properly installed, used, and maintained in accordance with written instructions.

Xenon "Mobile" and "Portable" Illumination systems mechanical parts are warranted for a total of five (5) years from the casters to the cover of the xenon illuminator.

Xenon "lamps" are warranted for a total of five hundred (500) elapsed hours. The supplier of the xenon lamp will determine the pro-rated refund against the purchase of a new lamp. Allow four to six weeks for a reply.

Xenon "power supplies" are warranted for a total of one (1) year.

Fiber optic cables are warranted for a period of one (1) year against defects in material and workmanship. We reserve the right to pass judgment on the cause of defect. Misuse and breakage of the fibers by the end user may invalidate the warranty.

Headlight modules and headgear are warranted for a total of one (1) year.

Warranties are void if service is performed by unauthorized persons.

Warranties are not transferable, unless authorized in writing by Gulf Medical Fiberoptics, Inc.

Warranties are null and void due to accidental dropping or impact of the xenon illuminator(s) and headlight(s).

Warranties will be processed within a period of approximately 10-20 working days, excluding holidays.

Gulf Medical Fiberoptics reserves the right to pass judgment on any and all warranties of product(s) abused or mishandled, including full or partial disassembled.

Gulf Medical Fiberoptics reserves the right to modify the above warranty statement with 60 days notice.
